

Email 1: Requesting an Extension

Subject: Request for Deadline Extension: Assignment – Ayush Sharma – 25BAI10371

Dear Professor,

I hope this email finds you well.

I am writing to respectfully request a short extension for the upcoming Assignment submission, which is currently due on 31 March. Due to an unexpected health issue, I need a little bit more time to ensure my work meets your expected standards.

Would it be possible to submit my assignment by 4 April? I have already completed the bulk of the research and just need time to finalize the documentation.

Thank you for your time, understanding, and consideration.

Sincerely,

Ayush Sharma
